Message from the Principal

Semester 2 Reports- Monday, 16 December

Semester 2 reports will be sent home via email during the last week of term on Monday, 16 December. **The link on the email will be 'live' for a four-week period from the time of sending. As such, I encourage all families to save an electronic copy of**

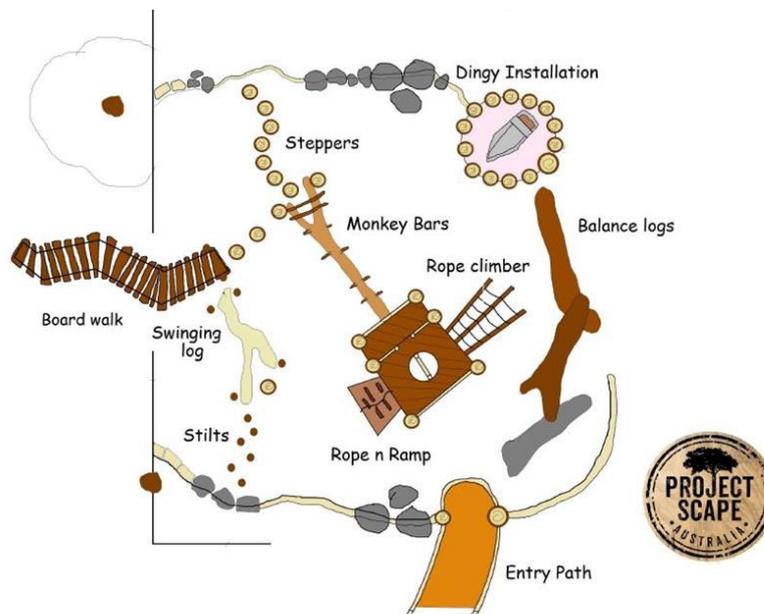

the report on your computer or portable drive before the four-week time period elapses. If you do not receive the email link by Monday afternoon, please make contact with the school office to confirm your email address, so that a subsequent email link can be sent out. Please take the time to go through the report(s) with your child(ren) to discuss the grades and comments allocated by staff. A reminder that if any parents/caregivers are wishing to make an appointment with their child's classroom teacher/specialist teacher to discuss the contents of the report in more detail, to approach the staff member directly or arrange an appointment via Mrs Tippett in the office.

 2020 Kindy Orientation meeting- Wednesday, 4 December
 JA1 and JA3 Assembly- Friday, 6 December
 P&C/School Volunteers Morning Tea- Wednesday, 11 December
 2019 Book Award Assembly- Friday, 13 December
 P&C Christmas Sing-along- Friday, 13 December

Quote of the fortnight

Sometimes, the benefit of a dent in self-esteem is an improvement in character.

P&C CONTACTS:

Main email:
 pac@mpps.wa.edu.au
 Canteen email:
 canteen@mpps.wa.edu.au
 Canteen orders:
 Our Online Canteen

Messages for the Canteen or the P&C can be placed in class canteen baskets.

After many months of consultation and discussion, installation of the first aspects of the nature playground will commence next week. The P&C have commissioned **Project Scape** to undertake the scope of works which will see the installation of a mud kitchen in the Pre-primary playground and some key aspects of the nature play space in the main primary playground and Kindy. Whilst work commences next week, the bulk of the work will take place over the summer break, ready for the start of the 2020 school year.

On a somewhat related note, the school/P&C has entered into what we hope will be an on-going relationship with MPA Plumbing and Painting Skills in Maylands. As part of their Semester 2 programme, 6 painting apprentices will be in school over the coming two weeks to undertake a number of painting projects across the school including repainting the 'old' playground, restoring two dinghys for installation as part of the nature play project and painting the toilet spaces in each teaching block as part of the Schools Toilet Project. Click on the following links [abc](#) and [enlighten](#) to learn more about the Schools Toilet Project itself.

As some areas of the school will be cordoned off to allow the tradesmen to complete their work over the next two weeks, it would be greatly appreciated if parents/caregivers respect the fact that these areas are fenced off for a reason and not allow children to play in these spaces after school.

Perth Airport's Community Boost Program

Writer of the Month - Sangamesh Sethupathi Manikandan - Year 1

For your well-structured cold task writing with excellent use of connectives, vocabulary and ideas. Also, readers enjoyed your story more because of your neat handwriting and detailed illustration.

Academic Excellence - Dylan Law - Year 2

Dylan is a conscientious and high achieving student who always produces work of a high standard across all learning areas.

Science Excellence - Chloe Ren - Year 4

Chloe is able to use her scientific knowledge to explain scientific phenomena. She can make evidence based conclusions on science related issues and has demonstrated a willingness to be a reflective citizen.

Year 6 Bridgetown Camp

Reasonably pleasant conditions made the Year 6 camp at Bridgetown an enjoyable experience. Our Year 6 students had the opportunity to go canoeing on the Donnelly River, mountain bike through the karri forest and fly down the flying fox in the Donnelly River townsite. They also had the opportunity to go out to Lucieville Farm to milk cows, ride horses and feed baby animals. I am confident that all of the students came back with some fond memories of their week away. I would like to thank Mrs Johnson for her outstanding organisation yet again and Ms Turvey, Mr Morris, Mr Sollis and Mrs Seedy-Dittrich for giving of their time to accompany the students on camp.

Kindy Orientation Meeting- Wednesday, 4 December

A final reminder to parents/caregivers who have a child enrolled for Kindergarten in 2020 that our Orientation Meeting will be taking place next Wednesday, 4 December from 9.00am.

The orientation will commence in the school undercover area with a 30-40 minute introductory session. This will be followed by a 30 minute conversation with Kindergarten staff in your child's classroom to discuss the nature of the Kindergarten programme and day-to-day operations.

P&C/School Volunteer's Morning Tea- Wednesday, 11 December

The combined P&C/school volunteers' morning tea will be held on Wednesday, 11 December at 10.15am in the staffroom. This morning tea is to acknowledge and thank those volunteers who freely give up their time in so many different ways for the betterment of the school. Mrs Johnson has sent out invitations to those individuals that have been nominated by the P&C/staff for his/her efforts throughout the year. Please RSVP the office by Friday, 6 December at the

latest for catering purposes.

Book Award Assembly- Friday, 13 December

One of the significant events on our school calendar is the 2019 Book Award Assembly; which will be held on Friday, 13 December starting at 9.00am. The format will be very similar to those held in previous years with staff presenting the book prizes to acknowledge the 2019 class award winners. At the end of the assembly, we will announce the names of the 2020 Student Councillors. Our choir and school band will also perform on the day. Please feel free to join us for the morning's festivities.

Breakfast Club

A quick note to let everyone know that Breakfast Club will finish up on Thursday, 12 December (Week 9).

Eva Johnson ('Mrs. J')
School Chaplain

Design a Float Competition

Congratulations Mitchell Borman - Year 1- JA2 who won the Design a Float Competition for this year's Alinta Energy Christmas Pageant. Mitchell's winning design will come to life on

Saturday December 7, 2019. Mitchell also won \$100 and a t-shirt to wear in the pageant.

Recycling Station Changes

Thank you to everyone who has been bringing in items for our recycling station. It is great to see so many people getting involved and doing their bit to help our environment.

We are pleased to introduce two new recycling schemes. You can now bring in bread tags as well as any plastic bottle top lids (up to 5cm in diameter) that have a number 2 or 4 recycling symbol printed on the lid. This typically includes milk, juice and soft drink lids.

Plastic Lids

Please remove any foam or plastic insert from the inside of the lid and make sure the lid is clean and dry. We have two separate bins for plastic lids. Please check your lid for either the number 2 recycling symbol (or "HDPE") or the number 4 recycling symbol (or "LDPE") and make sure you put it in the correct bin. Unfortunately, we are unable to accept any lids that do not show these details directly on the lid.

Other changes

- Our oral care bin now accepts electric toothbrush heads.
- The writing instruments bin now accepts correction fluid pots and correction tape.
- Wind up crayons are now to be placed into a separate bin to be recycled, rather than the writing instruments bin. Please make sure the crayon insert is completely removed.

Please also continue to bring in your used batteries, pens/markers/textas, dish and air care products, printer cartridges and oral care products. The recycling station has signs outlining exactly what items can be recycled under each program. We will also be sending out an updated information sheet through the SmartLink app soon.

Please note that the Recycling Station will be available up until Friday, 13 December 2019 for items to be dropped off. This is to allow our Sustainability Coordinator, Karen Hayward, the opportunity to clean out the bins of any general rubbish during the final week of term, prior to

storage over the Summer holidays. So please bring in any items you have been storing and otherwise, feel free to collect over the holidays as the Recycling Station will be returning in 2020!

MADS Cricket Match at Bardon Park- Sunday, 1 December

Maylands (PPS) Dads and their School kids aka MADS presents

Dads

Kids Cricket

Kindy, pre-primary and primary kids play and learn..against their dads!

Sunday 1st December - 2pm

Bardon Park Maylands

BYO picnic

RSVP:

Adrian 0449 520 587 fon@thefon.net or

Dan 0427 498 238 wa6053@gmail.com or

Jawid 0467 542 446 jawid@dadarkar.com

Hey all Dads!!!

Come and have some summer fun with the ol' bat and ball! And don't forget to bring your kids!

Cos' it's all about spending some quality time together. Hope to see you there!

New Members of P&C Committee Needed

P&C President, Vice President and Fundraising Convenors are retiring which creates opportunities for new people to join in.

The President role is often held by someone in full time paid work. As long as you can chair meetings held once a month from 7.00pm during term, be a Head Cheerleader for all things P&C, and do some light public speaking duties, you could be President!

Vice President tag teams with the President filling in when needed.

The Fundraising team is where the fun is. Fundraising events like the Lapathon, Disco and Singalong are fun and community-building and also raise money for additional resources that make MPPS a great place for your kids.

Any questions? Email pac@mpps.wa.edu.au

Community News

Free Parent Seminars

Midvale Hub Parenting Service Perth North East is a FREE service, offering information, support, parenting programs, individual support and referral services, for parents and families with children 0-18 years within the Shire of Mundaring, City of Swan, Town of Bassendean and City of Bayswater.

Midvale Hub Parenting Service;

Here, you will find spiel about each program and, if you click on the **link**, a printable flyer will load. For example, if you click on the 'download brochure' button for Circle of Security Parenting, a brochure will load.

Interagency Parenting Calendar;

This will provide you with a calendar overview of all of the scheduled

programs for the north-east metro region, facilitated by a variety of parenting agencies (Ngala, Centrecare, CLAN Midland, Dept of Health, Dept of Education, community organisations and Midvale Hub Parenting Service.

Please note, on the calendar, if you click on the program, a drop-down box will provide information about the program and, the option to click on the printable flyer for this program is available.

Midvale Hub Parenting Service, also has a Facebook page, which is regularly updated.
