## Issue No 7 - 15 May 2020

### Message from the Principal

#### Return to school for all students

As discussed in the COVID-19 update No 12 that was sent home yesterday, from next Monday, 18 May, all students are required to attend school unless they have a medical exemption from a doctor that requires them to remain at home. This means that our current arrangements in respects to Learning at Home that are being coordinated by Mrs Ruhen will cease as of today.

Any families that are seeking a medical exemption must make contact with Mrs Alver in order to seek information about the level of documentation required, as all medical exemptions must be forwarded to the Department of Education.

I look forward to seeing all students back 'on deck' next Monday.

#### Winter jackets

With the onset of cold weather in recent weeks, I have noticed students coming to school wearing jackets of all styles and colours. I would like to remind parents/caregivers that there is an expectation that students come to school each day wearing our school uniform, or wearing t-shirts, shorts, skirts, pants or jackets in our school colours. I appreciate your support on this matter.

## **Gardening group**

Last week, small groups of students started working in the garden again. To begin with, they planted seedlings of winter vegetables such as broad beans, kale and lettuces in compostable pots. It was great to work in the new nursery area behind the JB Block on very professional looking potting benches! Later, the students weeded the garden beds and aerated the compost bins. Good fun! Hopefully, soon, with restrictions being eased, we can have more gardening groups up and running again.

Thanks to our gardeners, Bruce and Sebastian, who spent a lot of time rejuvenating the garden area and setting up the overhead reticulation for the warmer months.

### Primary Music Institute

**Have you considered online music lessons?**

## Places are still available for Term 2!

Online lessons are still available **via live video link** directly to one of our PMI tutors, so students can learn their instrument from their own home, just like this:

Here's some feedback from one of our parents:

*"My daughter is not missing out on keyboard lessons now because they are online. Well done PMI!"*

Please enrol via our website:
