## Issue No 11 - 24 July 2020

### Message from the Principal

#### Welcome back

Welcome back to one and all, particularly those new members of the school community that have enrolled earlier this week. Looking through the Term 3 Planner that was sent home late last term, it is pleasing to see many classes taking the opportunity to go on excursions that had unfortunately been postponed. With faction and interschool carnivals, an assembly more or less taking place each week and incursions and school photos all taking place, there aren't too many free dates on the school calendar. As always, the Term Planner is available on the Calendar page on the school website at

<http://www.mpps.wa.edu.au/view/news-and-events/calendar>

#### Phase 4 Operating Guidelines still in place

As most parents/caregivers would be aware, Phase 5 of the WA COVID-19 Roadmap, that was due to be implemented on Saturday, 18 July has been pushed back. This means that the Phase 4 Operating Guidelines that came into effect for the last

week of Term 2 remain in place until otherwise advised. If needs be, please refer to COVID-19 Update No 15, which is available on Connect, to remind yourself of what this looks like for our school.

## COMING EVENTS

S8 Assembly- Friday,  
31 July  
Jeans 4 Genes Day-  
Tuesday, 4 August  
P&C Meeting-  
Wednesday, 5 August  
JB5 Assembly- Friday,  
7 August  
JB4 Assembly- Friday,  
14 August  
JB3 Assembly- Friday,  
21 August

## Quote of the fortnight

There are some sports people who wallow in the misery of losing. Luckily there are others, who after a brief moment of misery, show the generosity of spirit to add to the happiness of those who won.

## P&C CONTACTS:

Main email:  
pac@mpps.wa.edu.au  
Canteen email:  
canteen@mpps.wa.edu.au  
Canteen orders:  
Our Online Canteen

*Messages for the Canteen or the P&C can be placed in class canteen baskets.*

## SCHOOL ETHOS

*We at Maylands Peninsula Primary School are committed to:*  
*Encouraging students to be successful learners.*  
*The principles of developmental learning.*  
*Life-long learning and reflective practices.*  
*Developing attitudes and values of care and concern for self, others and the environment.*  
*Maintaining a safe environment for all.*  
*Building partnerships with students, parents and the community.*

## SUPPORTERS

## National School Opinion Survey

Every two years, all schools are required to conduct the National School Opinion Survey (NSOS) to seek feedback from parents/caregivers, staff and students (Year 5-6) about various aspects of the school and its operations. The survey is conducted on-line and takes about 10-15 minutes to complete. All data and names of individuals completing the survey is anonymous. The collated data will be shared with staff, the School Board and the P&C as part of self-review processes.

An email with a hyperlink to the survey will be sent out by Mrs Alver next **Monday, 27 July**, and will be available to parents/caregivers until the close of business on **Friday, 7 August**. Please take up the opportunity to provide feedback to the school.

## Other Newsletter Items

### M1 and M2 Assembly

After what has felt like an eternity, it was pleasing to see the first of our classes take centre stage this morning. Thanks to the students in Miss Swadling's M1 class and Miss Avery's M2 class for their very informative science themed assembly about heat and the ways it can be transferred from one object to another. The skits and song were both entertaining and informative. What a great way to start the new school term.

Our next assembly will take place next Friday, 31 July, with the students in Ms Sloan's/Mr Davey's S8 class performing for our viewing pleasure. At this assembly, we will hand out the first 'Aussie of the Month' awards for the term. A reminder to all parents/caregivers in attendance to do your best to maintain social distance between yourself and the adults around you.

### 100km Running Club inductees

Congratulations to Harley Dickie (S7), Finlay Dickie (JB2), Ethan Scott (M4), Max

Perth Realty  
John Caputo

Training Alliance Group  
Ph: (08) 6160 3388

Hart (S8) and Ethan Stoute (S8) who are the latest inductees to the 100km Club. Well done.

## 2021 Kindergarten enrolments cut-off TODAY!

A reminder to all parents/caregivers that today is the last day to submit applications to the office to seek a place for Kindergarten in 2021. Even though parents/caregivers are able to seek a place for Kindergarten after today's cut-off date, all applications already received by the school will be considered first. Any subsequent applications will be considered

on a case-by-case basis and will be subject to availability.

## National Consistent Collection of Data

Each year, the Australian Government undertakes the Nationally Consistent Collection of Data on School Students with Disability (NCCD). This consistent approach to data collection provides all Australian schools, education authorities and the community with a clear picture of the number of students receiving adjustments because of disability in schools, and the adjustments they are provided to enable them to participate in education on the same basis as other students. In 2020, the NCCD will be taking place in the coming weeks.

Parents/caregivers of students identified by staff for inclusion in the NCCD will have received a letter yesterday with information about the NCCD itself. The information provided by the school **will not explicitly identify individual students**. However, the collated information will provide data at a systemic level that will ultimately allow each state and territory to receive the appropriate level of funding from the Australian Government.

If any parent/caregiver would like to know more about the NCCD, please feel free to make contact with Mrs Johnson.

## Jeans 4 Genes Day- Tuesday, 4 August

The Student Council fundraiser for Term 3 is 'Jeans 4 Genes Day'. For the cost of a gold coin donation, students and staff will be able to wear jeans to school. All money collected will help

fund research to advance prevention and treatment of genetic diseases. Last year, we raised a little over \$630.00. Let's see if we can match, or better that amount in 2020.

## Aussie of the Month

### Azura Nesa-Clipston - Year 6

Azura is a positive role model within the classroom and wider community. Azura always considers others and is quick to support her peers in all aspects of their learning.

### Ethan Nurse - Year 1

Ethan is a kind, caring and tolerant class member who gets along well with everyone. Ethan is a mature student with a great sense of humour.

## Community News
