PRIMARY SCHOOL

Issue No.14 | 1 September 2023

Message from the Principal

2024 Student Enrolment Survey- Going somewhere? Staying with us?

Early next week, parents/caregivers will receive an SMS from the school regarding our 2024 Student Enrolment Survey. Each family will be asked to follow the instructions provided and respond to the survey by **Friday, 8 September**. The survey will take no more than a few minutes for each family. A *Connect* message with more detailed information will be sent out just prior to the SMS itself.

Attending to this survey is vital, as funding is allocated to the school based solely on student enrolment. Furthermore, this information is crucial for staffing and class structure preparation for the commencement of the school year.

Even if there is a **remote** likelihood that your child(ren) may not be returning to Maylands Peninsula Primary School in 2024, please indicate this when you complete the SMS reply with a comment. Furthermore, if personal circumstances change after you have returned your survey, please contact Mrs Reddish in the school office so that this information can be recorded. Your participation in this process is greatly appreciated. Thank you.

2023 Book Week Dress-Up Day

What an amazing array of costumes were on display as staff and students embraced the opportunity to come to school dressed as their favourite book character or book. As is the case most years, trying to guess the characters the students were dressed up as added to the fun of the day. Well done to all for getting into the spirit of the day.

Faction Athletics Carnival

Hopefully, by the time you are reading this message, the 2023 Faction Athletics Carnival will be 'done and dusted' for another year. We had a glorious day on the Monday with the long distance, long jump and vortex throw events all taking place. It was pleasing to see many parents/caregivers out in support. A full list of the results and the names of the champions and runners up from Year 3-6 will be available in the next newsletter.

School Photos

A reminder to all that school photos are due to take place early next week. Please refer to the *Connect* notice sent out last week for the specific details about the date/time for each class. If you have any questions about school photos, please make contact with Mrs Alver in the school office.

Running Club

Congratulations to Thomas from Hardey for making it to 100km and Mongol from Venville for cracking the 200km barrier. Well done boys. A big 'thumbs up' to a couple of our parents in Mandy and Norm who reached the 100km and 200km mark respectively. Keep setting the example!
