I am writing to express my interest in joining the School Board of Maylands Peninsula Primary School. I am an experienced legal practitioner and long term Maylands resident, and I wish to contribute to the School Board in both a professional and personal capacity. My wife, Rebecca, and I have two children (with a third on the way), and our eldest Clementine currently attends Maylands Peninsula Primary School.

Over more than a decade advising corporate and commercial clients, I have developed strong skills in strategic decision-making and policy development, which align closely with the advisory functions of the Board.

My intention, if elected, is to bring both my experience as a parent and my professional experience to:

- Support structured and thoughtful Board discussions, consistent with the Board's terms of reference, relevant regulations, and community perspective.
- Support the school's leadership in ensuring that decisions reflect the best interests of students and families.
- Review and evaluate the school's objectives, priorities and directions, consistent with the school's values and community expectations.
