Thank you for showing an interest in becoming part of the Kids Care family. Please select your preferences for 2023.

We offer Before and After School Care for children from Kindergarten to Year 6 for children attending Inglewood Primary and Maylands Peninsula Primary School. As part of our program, we offer our Kindergarten children an option to attend KidsCare on their alternate Kindergarten days to continue their learning and provide them with consistent care in a familiar environment.

We are excited to offer a Pre-Kindergarten/ Kindergarten program for children aged 3– 5 years old. Our pre-kindergarten program is designed by a qualified educator who has a Bachelor of Education in Early Childhood.

Our daily activities have been designed to encourage the children's creativity as well as enabling the children to enhance their developmental skills in key learning areas such as literacy, numeracy and self-help skills.

Most importantly we offer a nurturing environment for all children with a feeling of home away from home.
