Introducing Qkr!

Dear Parents/Caregivers,

We are introducing a new payment app Qkr! (pronounced Quicker) by Mastercard.

Qkr! is used at over 1600 schools across Australia and provides a secure and easy way to order and pay for school items from your phone at any time with a Visa/Mastercard credit or debit card.

With Qkr! you can:

- pay for a variety of school items including excursions, incursions, voluntary contributions and other school activities; and
- provide consent for your child/ren to participate in school activities.

When using Qkr! you will not need to complete envelopes with credit card details or search for the consent form at the bottom of a school bag.

Information for school activities will be sent via Connect and the activity will then be available on Qkr! to make payment and provide consent.

If you have unallocated credit, you can select this option on Qkr! and complete the consent form without taking any money from your credit or debit card. You always need to complete payment via the checkout even if the amount is \$0.

Instructions of how to download the app and register your child/ren is available on Connect.

Thank you and we look forward to receiving payments and consent forms via Qkr!

Kind regards,

A handwritten signature in blue ink, appearing to read "Megan Mohr".
